Walk around campus, or in the administration building and you are almost always confronted with a man wearing a green Excelsior cap on his head and a smile on his face.

If you're school spirited and go to football, basketball, baseball, and other spectator sports you will see this man rooting for his favorite school, which by coincidence just happens to be his Alma Mater. He's involved with the Booster Club, and was once named Booster of the Year.

The El Aviador dedicatee for this year was born in Anaheim on April 22, 1920, but was raised in Norwalk. He graduated from Excelsior in 1938. He attended Fullerton College and after graduation he went into the service. He was in both the Army and the Air Force. He fought in World War II and the Korean War. He has been employed by the Norwalk Post Office for thirty-one years as a mail carrier. His wife, Carlene, also graduated from our school in 1948. They have two daughters, Cathy and Carla. They also graduated from Excelsior.

We would like to say thank you for all your help and support by dedicating the 1979 edition of the El Aviador to you, Mr. Stan Burgener.

GOOD LUCK! WE LOVE YOU.

HOMECOMING 1978

Even though homecoming was a little later this year — Friday, November 17 — it still was very exciting and very successful. The homecoming court had for the first time in eight years six princesses. They were princess Sandra Finnegan escorted by Robert Lowe, princess Lydia Martinez escorted by George Gutierrez, princess Keitha Griffith escorted by Robert Hill, princess Ana Cortez escorted by Mario Enriquez, princess Michelle Olivas escorted by Mike Baray, and princess Linda Amaro escorted by Gary Maldonado.

The princesses and their escorts participated in many activities during the homecoming week: a pie in the face musical chairs, bobbing for apples, and a princess toilet paper wrap up. At the homecoming assembly the court was introduced and performed a skit called "Know Him Better," a mock of the Newlywed Game Show.

The homecoming game pitted the Pilots against the Glenn Eagles. Soon it was half time and the crowd stirred with excitement. While the band and drill team were marching onto the field the princesses were introduced, escorted by their fathers. Ana Cortez was crowned 1978 homecoming queen. The homecoming festivities came to an end with everyone going to the dance that featured the sounds of Crystal Ship.

SPIRITED PILOTS

This year's 1978-79 pep units began the school year with a big boost of spirit. They plunged into the football season by decorating the varsity locker room and leaving "fire-up" gifts for the team. They devoted much time and effort in planning a special assembly to welcome all new and returning Pilots. The group had many ideas for fund raisers such as having a booth at the Norwalk October Fest Carnival, and selling balloons each Friday. They also sold stationery throughout the month of December which enabled them to support all athletic events.

Staying after school to paint signs and practice routines were enjoyable activities, though sometimes a little frustrating. The year ended with as much of a bang as it began, thanks to the very devoted pep units, and their great advisor and friend, Ms. Joyce Ricci.

DRILL 78-

2.

"Pride and spirit" was the motto for the 1978-79 drill team. Under the direction of Ms. Judy Fattor, the drill team attended various parades and performed at all half-time activities. The week of Homecoming was a hectic one for the drill team. Many hours were spent painting signs and practicing the routine for this big event. During the year the drill team sold stick pins and candy to raise money. All in all the drill team had a fantastic year!

BAND

2.

GO BIG GREEN!

This was a familiar cry which could be heard at each Excelsior football game that the 1978-79 Pilot Players supported. When the band played their famous fight songs the crowd would burst out with spirit to support their team. At each home game the band would put on a special performance at half time which was a pure delight to watch.

Throughout the first part of the year, the group participated in many parades. On October 14, they took 6th place in the Artesia Parade. This boosted their pride very much. And so it was on to the Norwalk Band Review on November 14th where they took 2nd. And on Sunday, December 3rd. they were off to the Downey Christmas Parade where they placed 4th.

The Pilot Players supported as many athletic events and pep rallys as they could throughout the year.

With much determination and practice they became united together and were able to make notes become beautiful musical harmony. Under the direction of their new band leader Mr. Cantu, the group helped to make this year a true success.

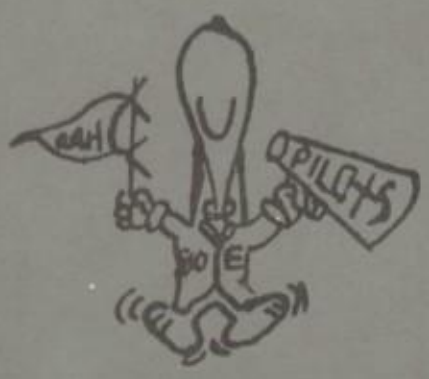
RALLIES AND ASSEMBLIES



The welcome assembly was the first assembly of the year. The football team was introduced and the pep units provided the entertainment. The halloween assembly saw the pep units doing a skit to the song Monster Mash. At the homecoming assembly the court was introduced and took part in a "Know Him Better" skit. The class of seventy-nine sponsored "Champions" a music slide show. The last assembly was, of course, the graduation assembly which saw the class of seventy-nine doing their last senior rise!

The pep units, showing tremendous spirit began the year with many neat rallies.

"Everyone come to the pep rally" were the familiar words that brought students to the victory bell so the rally could begin. "Fire-up" cheers and squads performing a routine began the rally; then there were skits between the athletes and classes.

The pep units thank all those who participated and made the rallies a great success.

CAMPUS

The disco look, ski vests and ski jackets, printed t-shirts, cowboy hats and stick pins were just a few of the student's favorites on Excelsior's campus this past year. Students could be seen wearing plastic shoes, cuffed pants and even baby socks.

Another "in" thing was permed hair. It was a care free, easy to take care of, and nice looking style. So, many of the students said, "Why not?"

FAVORITES

Some tried to keep up with the styles while others remained with their old favorites, as nine year old boots, a favorite blouse or even a favorite cowboy hat. It didn't matter what the students wore or how they looked just as long as they were "in" with the new fads or the old fashions.

Photographs: 1. Ski jackets and ski vest are seen all over campus. 2. A few of the "in" shoes. 3. A few of the favorite t-shirts seen on campus. 4. Skirts are always in fashion along with a new disco top. 5. A few of the gang showing off their fros.

The last bell of the day was the sound which every Excelsior student waited. They were seen minutes after school was dismissed racing around in their cars and peddling as fast as they could on their bikes trying to break away from the long, studious day. Other things were on their minds and they were off to conquer the world. Some had chores to do, while others were off to take on the city.

Several popular activities with students were: skiing, surfing, washing and working on their cars, and just relaxing in the sun.

Most of the students enjoyed taking on challenges. They were out to set new records for themselves, and by taking on new adventures, they were able to impress many of their friends.

HALLOWEEN

Tuesday, October 31 saw the students of Excelsior coming to school in all kinds of neat Halloween costumes. There was an assembly and a costume contest. Mr. Shaw and Mr. Kraushaar were chosen to judge the best looking costume. After much collaborating they chose as the winners the "Tinman" — Ernie Perdomo and the "Clown" — Lydia Morales who are featured in color on the theme page.

On March 24th at the Excelsior Memorial Stadium, the annual Powder Puff Game was held. It was a flag football game between the senior girls and the junior girls. Both teams had much determination on their faces as they stormed out onto the field. The senior class of '79 was in the green jerseys and the junior class of '80 was in the white. Each team held its own through the first quarter, but as the second quarter was almost to its end, Debbie Hernandez scored a touchdown and ran the ball for the extra point which put the seniors ahead 7 to 0. Halftime was a sight to see as the senior and junior (boy) cheerleaders played a short knock-down, drag-out, anything goes football game. Gerald Ortega, being crowned King Powder Puff was another spectacular moment.

The 3rd quarter and 4th quarter were battles right to the end. As the last few seconds vanished from the clock, the crowd roared with excitement and the seniors were filled with pride when they realized they had won!!!

HOMECOMING DANCE

2.

1.

3.

This year's Homecoming Dance was held at the Cerritos College Student Center. The dance was a big success, while three-hundred alumni and students danced the night away to the sounds of "Crystal Ship." The dance was highlighted by a special dedication dance for Queen Ana Cortez and her lovely court.

2.

3.

On December 1, the annual Christmas Dance was held at the luxurious Long Beach Elks Club. The dance was highlighted by a traditional turkey dinner. Christmas trees and mistletoe were the setting for the joyous season while couples danced the night away to the sounds of "Half Moon."

Photographs: 1. Mary Maldonado poses for the camera as she dances with Pedro Delfin. 2. Fredo Cervantes and his date. 3. Jeannette DeMent and Robert Lowe dancing; also shown are Debbie Warner and her date.

POWDER PUFF DANCE

The battle of the juniors against the seniors in Powder Puff was highlighted by the Powder Puff dance, held the day before the game, in the boys' gym. Even though the attendance was low, students had lot's of fun due to the featured band, "Ramone." Along with current hits the band played a wide variety of songs to jazz up the dance.

8th-9th VALENTINE'S DANCE

This year's eighth grade and freshmen class sponsored an eighth and ninth grade Valentine dance. It was held in the beautifully decorated girls' gym. The dance was a big success while the underclassmen danced to the sounds of a disc jockey. February 13 will remain a cherished memory for the ninth graders who attended.

September 11th, that was the day,
When our last year began, to all our dismay.
Though it's good to see old faces once more
We are all still thinking of the ocean shore.
The Homecoming game didn't end very well
Under the power of the Eagles, the Pilots sure fell.
But we didn't mind, we had lots of fun
As far as we care, we're still number one.
Under the lights Queen Ana was crowned
At semester she left and became college bound.
Pep rallies became a major disgrace
When milk cartons flew at everyones face.
Cross Country was quite a success
To C.I.F. they went and proved to be the best.
There were shortages of supplies due to Prop 13
And when they tried to print the paper it was a sight to see.
Some people tried to make a big issue
Because the bathrooms never had tissue.
Pants tucked in boots and flowers in hair
When it comes to good taste, some people don't care.
Freshman and 8th graders clumsily running down the halls
Would scream and slip and finally fall.
Christmas vacation was a real pain
All it did was rain and rain.
The homework got harder as the year went on
Most of our grades were either going or gone.
Some of our friends got the senior germ
And they left us to graduate at mid-term.
The basketball team of '79
Tried very hard and played mighty fine.
Watching our team was really neat
Even though it seemed we usually got beat.
Second period Anatomy was really great
But with Mr. Walker "A's" were fate.
Teachers give us work and never time to play
They're killing us slowly six hours a day.
Hallways are always so congested
All the slow walkers ought to be arrested.
Three day week-ends really messed up our heads
Going to parties; never getting to bed.
Powder Puff came and the war was on
But the seniors proved they're number one.
Flag football was what it was supposed to be
But when the juniors tackled, the "refs" didn't see.
Senior Square was where we kept our pride
We just dared those juniors to step inside.
The Queen Mary of Long Beach was the sight
For the '79 Prom was a special night.
There's a person on campus who tries to walk proud
But his jokes are the pits and he says them to loud.
The El-Aviador Staff was in a distress
When deadlines came and the deadlines went
And now, all of our money's been spent.
We put it together and pulled it through
We sure showed Ms. Ricci what we could do.
We all heard rumors and knew they were true
There is a great class here but not one that's new.
It's the class we knew would always shine
And shine we did were '79.
Four long years we've waited this out
When we leave we'll scream and shout.
The days are getting hotter and summer summers in reach
So let's load up the gang and head for the beach.
Excelsior, the seniors will sure miss you
But we'll always remember what you taught us to do.

"THE NAME OF THE GAME IS FOOTBALL"

Despite stinging frustration, the 1978 Pilot team fought hard and showed tremendous spirit during the season. When asked to evaluate the season, Coach Jeff Brinkley said, "The 1978 Excelsior football team was a success in many ways even though they only tied two games. The players on this year's team re-established the pride in Excelsior's football program. They earned the respect of every coach in the league. The one point the other coaches always made was that our players would never quit regardless of the score.

"The coaching staff at Excelsior feels that thanks to this year's fine group of atheltes, we are going to be able to turn this program around and start winning some football games. This year, we placed three players on the All-League team: George Gutierrez — 2nd team, wide receiver; Ron Harmon — honorable mention; tight-end; and Mike Baray — honorable mention, linebacker.

"Hopefully next year, after winning some games, we can get even more of our team acknowledged. The single regret the coaching staff had this year was that we only had one year with a lot of these players. They are a fine group of individuals that became very close and we thank them all for turning things around."

SOPHOMORE FOOTBALL

1.

The sophomore football team had a very heartbreaking season, losing their games by no more than a touchdown. Led by head coach Bobby Garcia and assistant coaches Darrell Hill and Juan Vasquez, the team always had high hopes as well as spirit. They attended a lot of meetings, practices, and felt many sore muscles. As the season went on they made fewer and fewer mistakes, and not only tried harder game to game, but play to play. The team never left room for giving up and when the last play of the season was over they wished the season was beginning.

FRESHMAN FOOTBALL

1.

The Freshman football team had their hard times, but showed a lot of dedication and enthusiasm. Led by first year head coach Abel Pena and assistant coach Art Cobarrubio, the team quickly matured into one of the best freshman football teams to have appeared in the past five years. As Woody Hayes once declared, "You can't win them all.", and the freshman football team proved this to be true by losing most of their games. Although they did have a disappointing season, they never gave up. As close as they were to winning, the Pilot freshman football team was as good as number # 1.

A thousand mile journey begins with a single step, but for Excelsior's amazing cross country team that single step was a giant leap. Led by seniors Tim Campbell and Jose Macias, the varsity cross country team began the season by defeating Long Beach Jordan 20-35. Varsity went on to defeat Glenn 15-no score, Norwalk 19-37, Bellflower 16-39, Neff 22-34, Artesia 25-30, and Paramount 18-37. Excelsior's only downfall was losing to Mayfair 39-19. Through determination and an all-out effort of everyone involved, the Pilots captured the title of Norwalk — La Mirada District champions. Winning became a very apparent thing to the Pilots; after all, when Pilots fly, they fly high. Excelsior varsity went on to the C.I.F. preliminaries placing 6th. Excelsior's varsity finished the season with an impressive 7 wins-1 loss record. The junior varsity cross country team had a final record of 6-2. Although the season began well with a first place title in the Norwalk — La Mirada District championships, the Pilots had to fight to maintain their second place finish in the Suburban League. J.V. followed the varsity's example with a win over Long Beach Jordan 15-no score. Though the J.V.'s fell to Mayfair 47-16 and Artesia 35-23, they kept on fighting to defeat Glenn 15-no score, Norwalk 20-no score, Bellflower 15-no score, Neff 15-no score, and finally Paramount 22-32. The Pilot's outstanding individuals on J.V. were seniors Juan Sierra and Robert Balderas, followed by sophomores Manual Moreno and Jesse Gracian. When Coach Orrin Walker was asked his comments on the season and the teams he replied, "Our 1978 varsity and junior varsity cross country teams portrayed one of the most spirited and dedicated seasons of recent years. It was truly a pleasure to be associated with so many fine young men and young women. The closeness that our 1978 teams developed will surely provide a base for many successful seasons to come."

The girls' cross country team fought hard this year and though they started off on the wrong foot they never gave up. Losing their first two meets to Long Beach Jordon 38-17 and to Mayfair 50-15, the Pilot girls came back to beat Glenn 15-NS and Norwalk 26-29. Though their next meet against Bellflower proved upsetting by a loss of 37-19, they fought and gave Neff a scare by losing only 30-25 and Artesia 32-23, finally coming back to defeat Paramount 19-37. Final season record left the girls taking 3rd in Norwalk-La Mirada District Champions. When talking with Coach Orrin Walker he said, "The girls exhibited tremendous effort and determination in their first year of cross country competition." Outstanding individuals of the girls were freshman Sonya Campbell and senior Debbie Hernandez.

The freshmen followed in the footsteps of the varsity and junior varsity ams with an outstanding year. They started the season with a great vic- y over Long Beach Jordon 15-50, and continued their victorious ways defeating Glenn 15-NS, Norwalk 15-40, Bellflower 27-30 and Neff 17- . The frosh fell to Artesia with a close score of 29-27 but came back to feat Paramount 19-NS. The young Pilots were led by freshmen Alfred Luna who ntributed to both the frosh team and varsity and was followed closely by John pez and Raul Macias. The frosh also took 1st place in the Norwalk-La Mirada Dis- ct Championship, and finished the season with a second place finish in the Sub- ban league.

This year's varsity team had an outstanding season with power hitters, Mandy McMahon, Jody Feederle, Carole Prietto, Laura Waddel, and Renee Estavillo; two freshmen, Linda Estavillo and Jennifer Mercer, also added strength to the team upon their late arrival from the J.V. team.The team lost Rose Smith due to illness. Pearl Vandenburg did a fine job with setting, and Sylvia Torres contributed much to both positions. Most Valuable player for the season was Mandy McMahon and Most Inspirational player was Renee Estavillo.

They attacked their opponents with powerful serves, net plays and spikes. Working together as a team, they showed that hard work and dedication pays off. When asked her comments on the season, coach Jewel McMahon replied, "We played a new offense this year, a 6-2 system. Our team did a fine job, working hard and learning this more intricate system."

GIRLS' VOLLEYBALL

Though 1978 was not a prosperous season, the team had great times, and met a lot of new people. When most people think of junior varsity, they think of second best, but this year's J.V.'s hard work and dedication paid off for the experience and learning they were able to comprehend. Under the direction of Ms. Judy Fattor, the J.V. team is highly recognized as being a major part of the building blocks to establish a better varsity. The outstanding players for the season were: Angie Pierce, Jennifer Mercer, Martha Ramirez, Elsir Rios, and Linda Estavillo. The season record was 4 wins and 8 losses. When asked her comments on the team, coach Fattor replied, "This team holds great potential for all sports as they have a winning attitude which is mandate in any athlete."

VARSITY TENNIS

The girls' varsity tennis team fell short of victory many times during the 1979 season. Returning veterans made up most of the team, but this made no difference in the outcome of the season.

Under the direction of Coach Jeannie Torres, the team made an all out effort in practicing everyday to improve their skills. Opposition just proved to be too difficult for the Pilot team.

Individually the players were very good, with outstanding performances given by number one singles Juanita Duran, followed by Redempta Baguio and Ana Cortez. Number one doubles Lynne Briggs and Maria Ballesteros executed fine games with the advantage of having played doubles last year on J.V. Number two doubles were Letty Esnayra and Maria Vasquez. Number three doubles were Drucy Cortez and Natilie Trejo.

The team will only be losing three players, so they should have a strong team next year. Coach Torres hopes that next year they will get a jump on the season by having workouts in the spring.

JUNIOR VARSITY TENNIS

Starting off the season with all new players and a new coach, the girls' J. V. tennis team had many hours of work lying ahead of them. Coach Patrice Pugh had the team begin workouts two weeks before league matches started. During those two weeks frustrating hours of practice were spent learning and sharpening their tennis skills.

The girls' J.V. tennis team came through the season with a record of 2 wins and 12 losses. Their record gave them little justice in their competitive performances. Coach Pugh thought the team showed much promise in becoming future varsity players.

Lucy Gutierrez showed outstanding qualities in her games as number one singles. Number two singles Debbie Coles, and number three singles Melinda Yriarte also played well. Cindy Torralva and Renee Gilbert executed fine games as number one doubles. Following were Virginia Briggs and Vicky Valdez as number two doubles, and Tami Davis and Barbara Newman as number three doubles.

SOCCER 1979

Under the expert coaching of Jesus De La Torre Excelsior's 1979 soccer team had a tremendous season. The team was led by junior Javier Gracian, who scored 12 goals. Contributing to the success of the team were halfback Raul Macias, goalie George Pilola, halfback Ernesto Gomez, forward Manuel Moreno. The most outstanding defensive player was Jose Macias.

Pulling together as a team, they improved their second form 3-2-1 to 7-2-3, which was good enough for second place in the Suburban League and a berth in C.I.F. In the first round of C.I.F. Excelsior met and defeated Garden Grove High School in a 2-1 victory. Advancing into the second round they met Saint Bernard High School whom they also defeated in a 2-1 victory. In the third round the Pilots met Calexico High School which proved to be the final leg in what was a near perfect and glorious season, as the Pilots were defeated by a score of 3-1.

Congratulations to these players: Jacier Gracian and Jose Macias, who were selected to All League first team; Ernesto Gomez and Manuel Moreno, to All League second team.

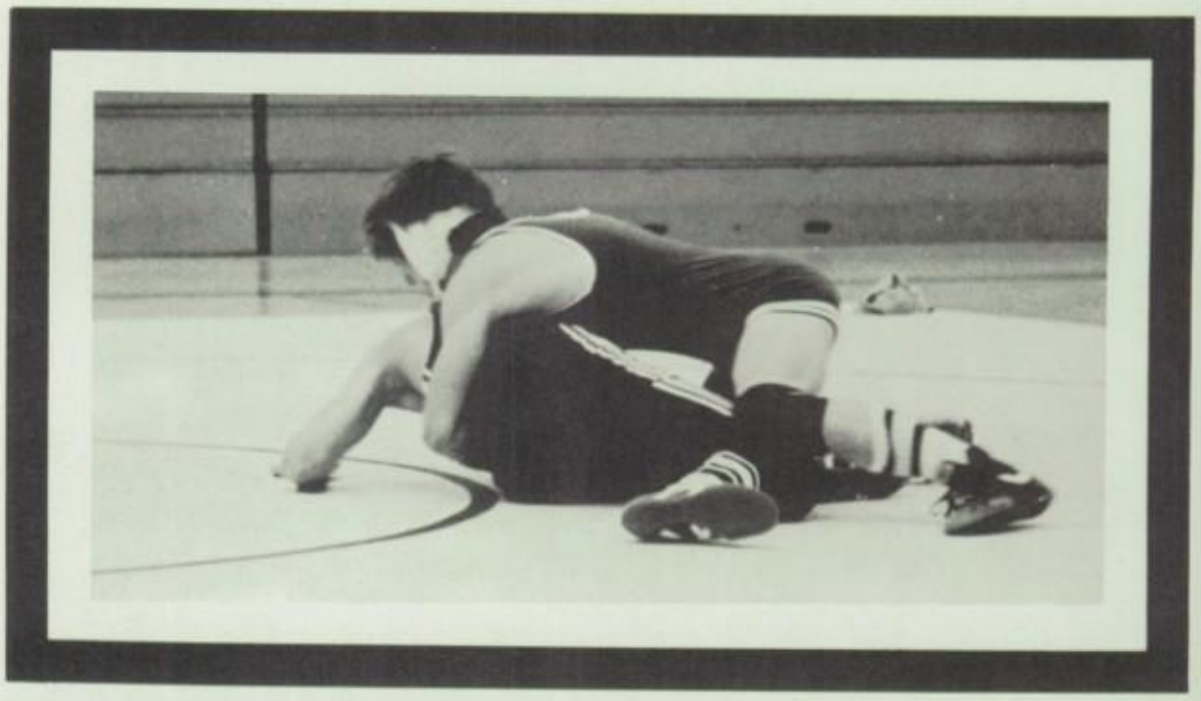
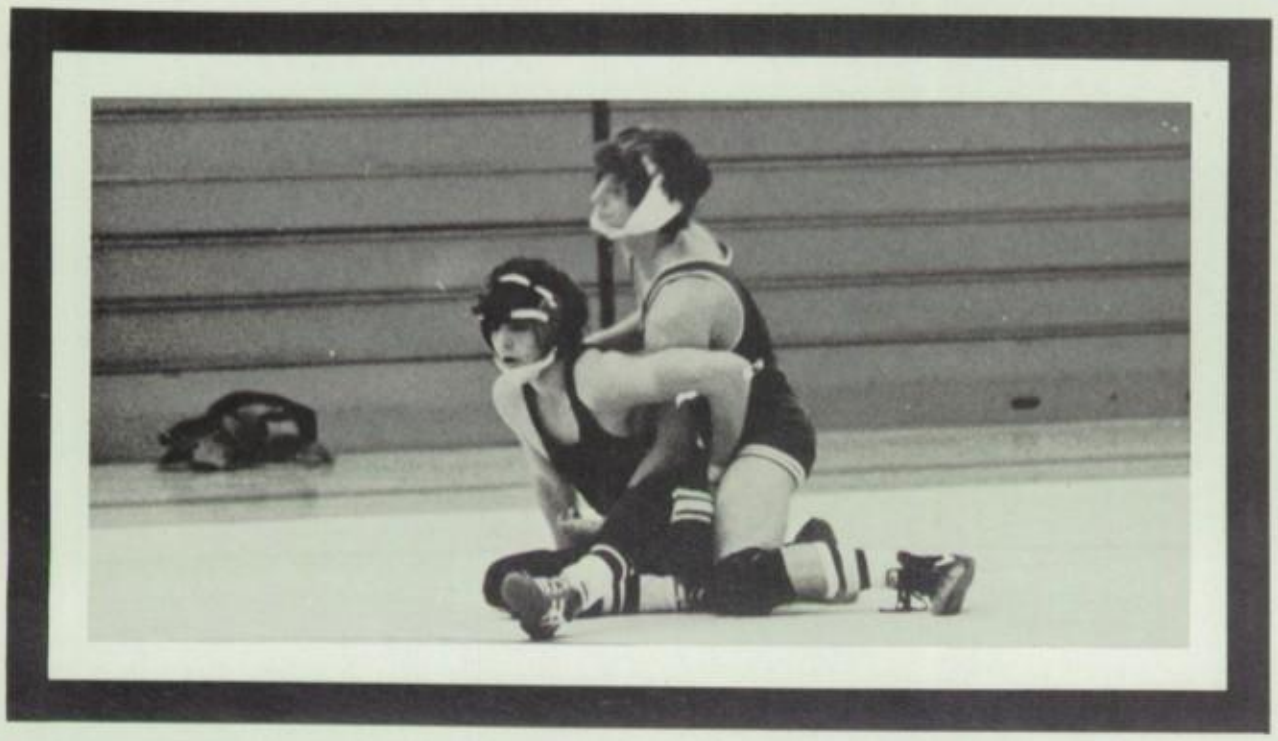
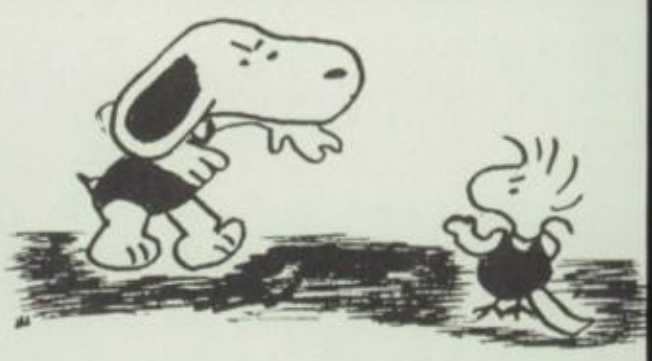
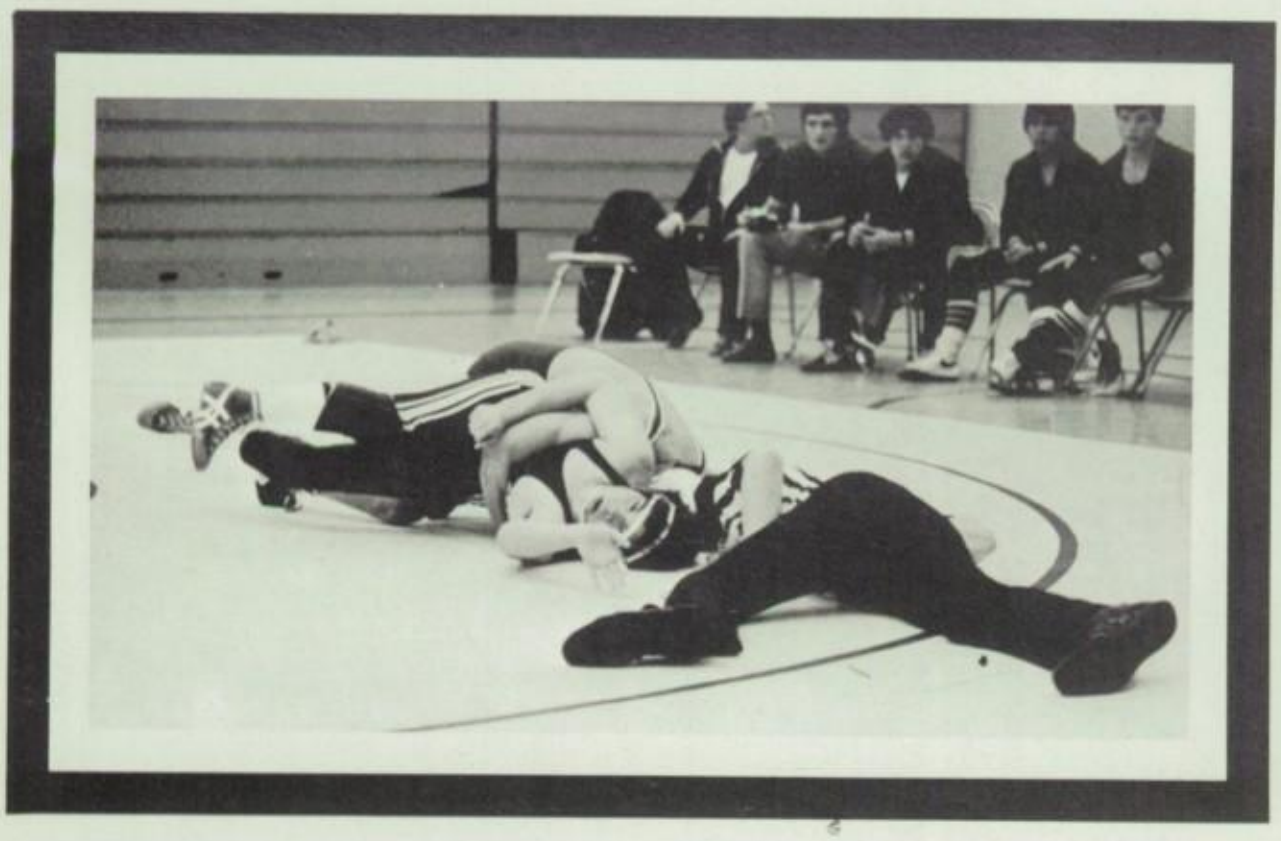
WRESTLING

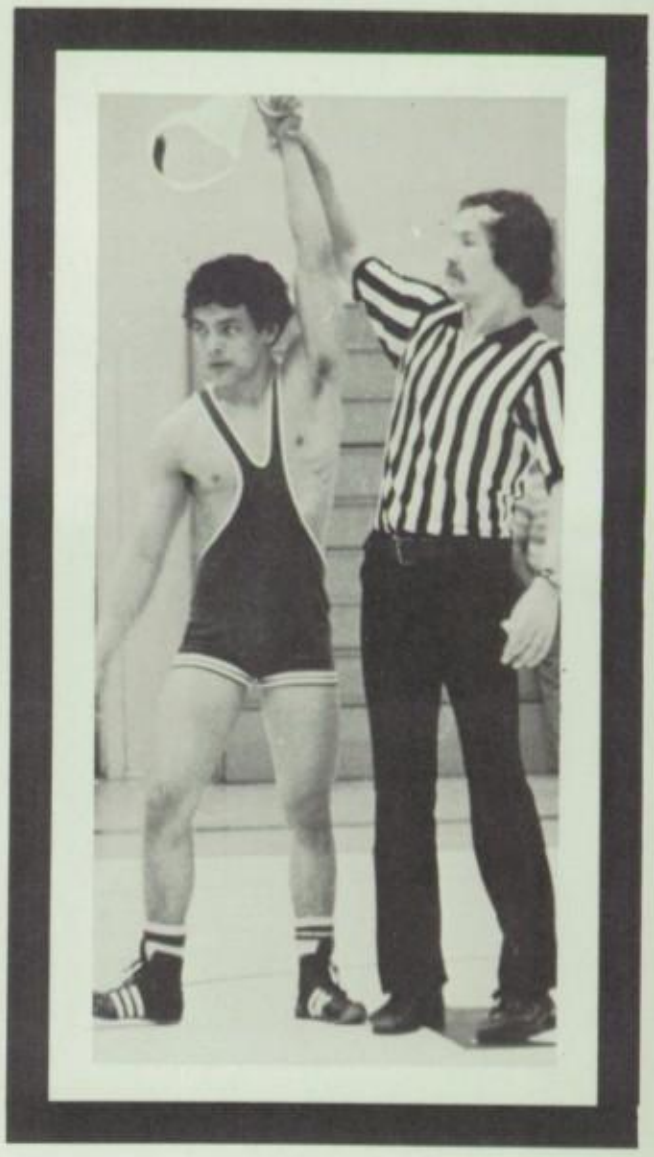
1978-
1979

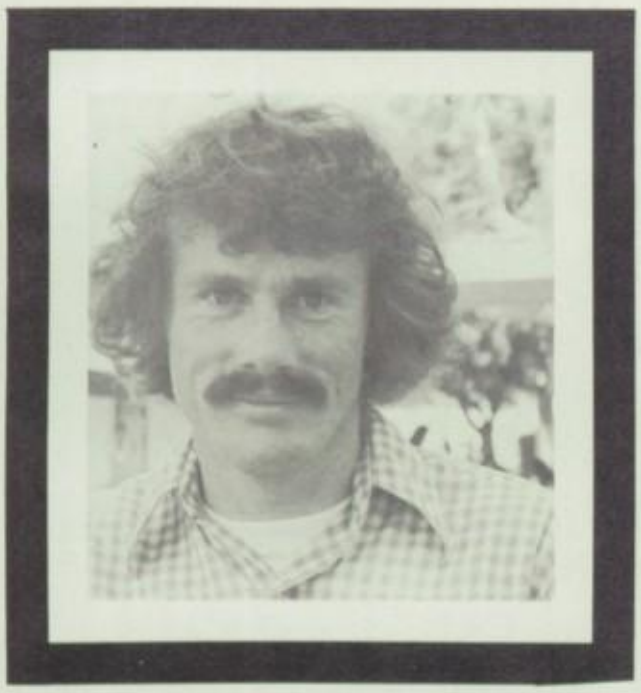












1.

The 1978-79 wrestling season started out slowly. Hard work and dedication eventually paid off resulting in exciting wins in the last two league matches. The season reached its climax with outstanding performances in the Surburban League finals, where seven Excelsior wrestlers received medals. Outstanding wrestlers for the season were: Gerald Ortega, Hector Marquez, Tom Osburne, and Ray Niemann. The league results were as follows: Mayfair 60 — Pilots 12; Norwalk 60 — Pilots 12; Bellflower 58 — Pilots 14; Artesia 65 — Pilots 9. The last two matches were victories over Paramount 36-33; and Glenn 49-21.

The seven men who earned medals at the Surburban League finals were: R. D. Soto at 106 pounds placing fourth, Hector Marquez at 123 placing second, Tom Osburne at 136 placing fourth, Ray Niemann at 141 placing fourth, Gerald Ortega at 148 placing first, Greg Sombrero at 156 placing fourth and Modesto Garcia at 167 placing fourth. Gerald Ortega was voted the most valuable player for the Suburban League finals. Even though it was a rough season, the varsity wrestlers and coach Orrin Walker prove that spirit and togetherness could pull them toward the top.

The 1978-1979 Excelsior varsity basketball team which consisted of Ron Harmon, Robert Lowe, Jose Flores, Jose Gutierrez, Larry Kaupang, Dennis Foster, Ron Roman, Ben Fonceca, Luis Garcia, and Tony Galvan could only gather a record of 1-13 in league play and 1-17 for the season. The team was led by captain Ron Harmon who averaged 21 points per game. Luis Garcia, Jose Flores and Larry Kaupang averaged 7.0, 7.2 and 6.5 points per game respectively. The team played together as a unit and they never gave up during a game. They had a lot of spirit and enthusiasm which showed in all thier games, especially the Neff game in which the Pilots won 65-63 in overtime. Even though the team was not that big, they out rebounded many teams including Bellflower, which was the biggest team in the league. The team was well coached and disciplined. The coach was Mr. Robert Lougee. Ron Harmon, who was the top scorer in the Suburban League, was selected to first team all-league honors.

The junior varsity basketball team ended the season with a league record of 3-11 and a season record of 3-17. Duane Rivera and Lonnie Sizemore led the team in double figures scoring averages of 16.6 and 10.2 respectively. The team, as a unit, was very good on out rebounding the opponent. Even though their record wasn't the best, they were gathering confidence as the season came to an end. They were close in all but a few of their games. The team consisted of Duane Rivera, Lonnie Sizemore, Gilbert Flores, Adrian Santana, Sal Valdez, Victor Sandoval, Gus Zamoya, Jim Alcido, Carlos Abucejo, James Flanagan, Robert Kolnes, David Carbajal, Joe Keane, and Andy Rupert, all of whom aided in a good season. They were coached by Mr. Bill Vetica.

The frosh basketball team ended league with an impressive 11-3 record. This gave them a second place standing in the Suburban League. They also established a 14-6 record for the season. The team was led by Rico Campos, who averaged 14 points per game. Tom Vasich and Louis Cruz averaged 7.8, 8.2 points per game respectively. Team members were Rico Campos, Louis Cruz, Tom Vasich, Tyrone Ganoe, Ron Jones, Frank Lanthrup, Larry Landauer, John Parr, Ricky Jones, Phil Fouch, Dominic Schumann, Benny Abucejo, Pat Heflin, Steve Pennunuri, Mario Canez, Ben Gutierrez, and Scott Armstrong. This was a team with future prospects. Mr. Al Fasnacht coached this well disciplined team.

GIRLS' BASKETBALL

Girls' basketball this year proved to be very successful. Both the varsity and junior varsity teams did exceptionally well.

The varsity team, coached by Mr. Tom Lynn had a 4-10 record on the season. They had many exciting games and all the players had fine performances.

The junior varsity team, under the direction of Mrs. Jewel McMahon had a record of 5-9. The team was always fired up and ready to take on their opposing teams.

Both teams showed that they had the ability and skill to play well against the other schools. All in all it was a very good year for girls' basketball.

Varsity players included Mandy McMahon, Laura Waddell, Sharon James, Jody Feederle, Debbie Hernandez, Carole Prietto, Lupe Herrera, and Elsie Rios.

Junior varsity team members were Renee Estavillo, Tami Bride, Pearl Vandenburg, Anna Morin, Linda Estavillo, Jennifer Mercer, Pat Winberg, Martha Ramriez, Barbara Vos, Jackie Moreno, Tammi Neakrase, Maria Vasquez, and Letty Esnayra.

VARSITY BASEBALL

Excelsior varsity baseball began the season with five returning lettermen, all of which were starters both this and last year. The five were: Danny DeArmas-All League, honorable mention 1978, Troy Baskiewicz, Steve Hallock — 1978 designated hitter, George Gutierrez — first team All League 1978, and Bally Ortega.

During a pre-season interview, Coach Jeff Brinkley stated, "The Excelsior baseball team has gone to the C.I.F. playoffs the last two years; last year going all the way to quarter finals. We are hoping this year won't be any different. Our goal again this year is to win the league. With hard work and dedication the 1979 baseball team could achieve this goal."

The Excelsior team participated in the El Segundo Tournament and the Downey-Warren Tournament aside from regular league play. During league play, pitching was led by Mike Lopez, Duane Rivera, and George Gutierrez with relief from Tom Osburne. The infield positions were mainly as follows: Bally Ortega, catcher; Troy Baskiewicz, first base; Dan DeArmas and Paul Sotelo, second base; George Gutierrez, shortstop; Steve Hallock, and John Badosa, third base. Mario Enriquez, Dennis Cruz, Mark Moreno, Jose Gutierrez, and Rudy Ramirez were the outfield players with Dennis Foster as the designated hitter.

JV BASEBALL

5.

Due to the elimination of frosh baseball, the junior varsity team this year was composed of freshmen, sophomores, and juniors.

The team had a fresh start coming into the season, with a new coach, Rob Gaylord, younger players, and only four returning players from last year's team.

Coach Gaylord came to Excelsior from Mayfair High School, where he coached last year. Going into the season Coach Gaylord commented, "If the J.V.'s work hard and the pitching comes through, they should come out on top of league."

J.V.'s entered the El Segundo Tournament before league began, and achieved two wins and two losses. They also participated in the Cerritos Junior Varsity Baseball Tournament during Easter vacation.

Last year J.V.'s were Suburban League Champs. This year they began the league defending their title. Through out the season Danny Lopez, a freshman, played good defense as shortstop. Ernie Sosa displayed fine pitching ability. Ron Cabrera was a very versatile player, and Louie Cruz, another freshmen, started on second base this year.

The team's positions were as follows: catcher — Armondo Hernandez and Bill Osburne; pitchers — Ernie Sosa, Bobby Gutierrez, Armondo Hernandez, and Bill Osburne; 1st base — Victor Sandoval; 2nd base — Louie Cruz and Ron Cabrera; shortstop — Danny Lopez; 3rd base — Ernie Sosa and Ray Rivera; utility infield — Steve Juhasz and Rob Clagg; left field — Rudy Gutierrez; center field — Bobby Gutierrez; right field — Bill Osburne; utility outfield — Steve Douma, Howard Barndt and Ricky Jones.

This year's girls' softball team had many new players and also two new coaches, Mr. Orrin Walker and Mr. Bob Olivas.

The team played hard and showed a lot of spirit during their practices. The season opened on March 14 and continued until the early part of May.

Mr. Walker and Mr Olivas both felt very confident that their teams would be main contenders in the Suburban League competition.

The varsity roster included: Rosa Aguirre, Maggie Bernal, Tammy Bride, Sarah Chavez, Letty Esnayra, Robyn Eddy, Renee Estavillo, Mary Gomez, Debbie Hernandez, Sharon James, Elsie Rios, Cindy Torravola, Barbara Vos, Pat Winberg, and Melinda Yriarte.

Junior varsity players were: Maria Ballesteros, Renee Carlile, Drucila Cortez, Sandy Eddy, Vicky Ethridge, Jody Feederlee, Renee Gilbert, Susan Gustafson, Lucilla Gutierrez, Lupe Herrera, Raula Lefler, Jackie Moreno, Anna Pena, Sylvia Pena, Martha Ramirez, Jenny Rivera, Maria Vasquez, and Laura Weddell.

This year the Excelsior varsity track team was coached by a coalition of new coaches. They were: Judy Fattor, Bob Abbott, Kathy Bobbitt, and Rueben Chappin. Even though this was their first year working together they constructed one of the best track teams from Excelsior in years. Before the season the team started working on special techniques and skills necessary to become good competitors. Under the leadership of these four coaches the team, though very young and inexperienced, immensely improved day by day. The team gained new confidence in itself. From this emerged an undying feeling of pride and they also gained respect fromother schools. Excelsior can really be proud of these dedicated tracksters.

"The infinitely little have a pride infinitely great" is a famous quote which seems very appropriate for the 1979 frosh/soph track team, as it seems to sum up their entire season. Even though they were small in both size and quantity they worked hard year round to achieve the best in quality. Throughout the season individuals set and broke self-achievement goals which expressed their great dedication to the sport as well as to the school. Excelsior can look forward to some great track seasons ahead.

GIRLS' TRACK

Only in it's third official year in operation, the girls' varsity track team flourished. With some magnificent training and pure devotion the girls quickly matured into one of the best girls' track teams in the league. For them the season was long and tough but they always managed to come up with smiles. The girls have truly proven that they can be as dedicated to the sport of track as any of the boys.

The 1979 boys' varsity tennis team had the good fortune to be coached by two professional tennis players. With this in their favor and the fact that the team gave "300%" as far as effort was concerned, this year's tennis team has been the strongest at Excelsior in the past five years. Coach Domingo Mauricio attended Excelsior in 1967, before he moved to Texas to continue his education. Mauricio is now the head instructor at Cerritos Regional Park. Coach Rick Ramirez is now head instructor at the La Mirada Regional Park.

During the season, the team often used the Regional Park facilities to strengthen their tennis skills. The coaches used their influence to change the attitude of the players. At the start of the season, not more than three players were serious about the game. After the coaches exposed the players to a more professional tennis atmosphere, the players quickly learned to improve their games. The team was entered in the United States Tennis Association (USTA), and played in many local tournaments and invitationals,

The team was led by three seniors — Juan Sierra, captain; Dale Vrsalovich, co-captain; and Dana Vrsalovich. The remainder of the team was as follows: Tom Esparza, Bruce Soto, R. D. Soto, Mike Fagen, Ben Pierce, Mike Ortega, Rich Ahrns, and Arturo Lujon.

ASB — SENATE

The Associated Student Body directed the school under the supervision of a new advisor, Mr. Bill Vetica. During the course of the year, ASB sponsored several dances and assemblies.

Senate, composed of equal representation from each class, was involved with many school functions. Senior class sponsored a successful Homecoming and several assemblies. Junior class' year long project was the prom, held at the Queen Mary. Sophomore's ordered their class rings and sold Valentine flowers. Freshmen and eighth graders combined to have a Valentine's Dance.

Adding eighth grade officers to Senate was a new experience for both the officers and the class itself. Students involved in Senate and ASB had the chance to learn student government. All students are encouraged to run for the various offices, and just to get involved in their school!

ANNUAL STAFF

This year's goal for the annual staff was to create a book better than last year's. With great ideas and much dedication from the new El Aviador staff, along with the helpfulness from the editor, Robert Lowe, the goal was accomplished.

With much help from the advisor, Ms. Joyce Ricci, the Taylor Publishing Company, Proud Bird Photography, and student photographers Keith Cooke and Mike Baray the project was accomplished.

We hope all Excelsior students appreciate and enjoy the yearbook the El Aviador staff has created for you.

LIFE STAFF

A cut in the budget for the school paper, Excelsior LIFE, presented a problem for the staff this year. The amount of publications were reduced from ten issues to five. However the young, ambitious staff tackled the responsibility and put it all together. LIFE covered activities both on and off campus. A section in the paper was devoted for reader's comments and complaints called Letters to the Editor. Other regular articles in the paper of interest to readers were, editorials and personals. This rambunctious group was led by advisor Mrs. Anna Kerr, and editors Jeannette DeMent and Dana Vrsalovich.

UPWARD BOUND

1.

This year's Upward Bound students were familiar with many week-ends at Cal State Long Beach. This was to help them become familar with the college campus atmosphere. The purpose of the Upward Bound Program is to help motivate students for higher education. Students with low family incomes received scholarships through Upward Bound. There were many successful students who participated in the Upward Bound Program. Throughout the year, the Upward Bound students were provided with academic, career, and personal counseling.

CSF

To become a member of the California Scholarship Federation a student must submit his report card to the C.S.F. advisor, Mrs. Anna Kerr. If the student has a minimum of seven points in academic subjects (three points to an "A" and one point to a "B") and another "A" in an elective he will qualify.

All seniors, juniors, sophomores, and second semester freshman are eligible.

A student who qualifies at least four of his last six semesters, including once in his senior year, will become a seal bearer.

This year the C.S.F. members sold See's suckers to raise money for their dues and a scholarship for a seal bearer.

Photographs: 2. Excelsior Business Builders

2.

The E.B.B. represents the Excelsior Business Builders. The club advisors throughout the year were Mrs. Kay Roth, and Mrs. Lenora Summerford. During the year the E.B.B. Club was involved in bookkeeping and other business experiences. E.B.B. attended social events and were given awards in form of scholarships. There were thirty active members in Excelsior Business Builders.

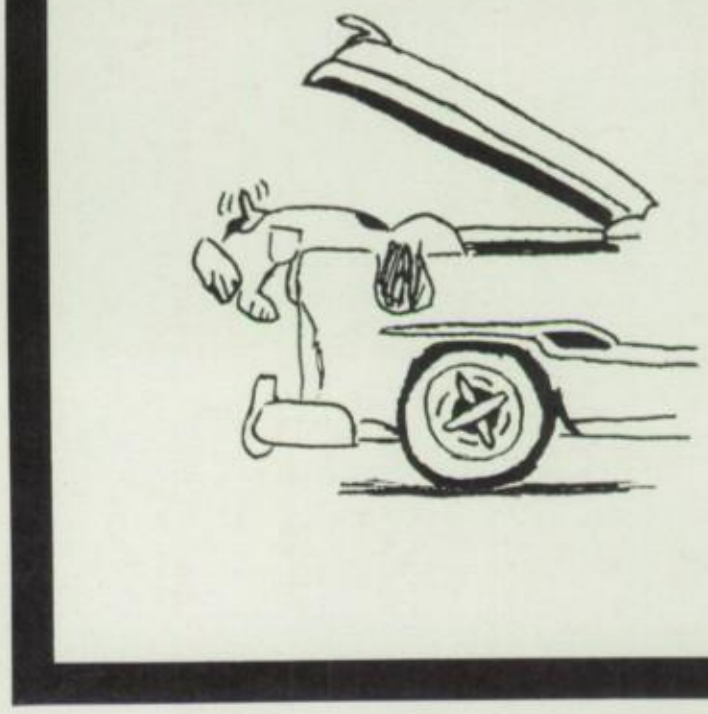
AUTO CLUB

1.



2.

This year's Auto Club was one of the largest clubs on campus. During the year Auto Club was involved in many projects that helped the members understand more about the auto mechanic field. Excelsior's Auto Club helped the community and the school by servicing cars free of charge. With donations, the club took fishing trips and visited museums. The advisor for the club was Mr. Henry Doernbrack.

SPORTS AND SKI CLUB

1.

2.

3.

7.

Although not many people participated in the Sports and Ski Club, the few who did enjoyed themselves to the fullest extent.

The year began with an eventful camping trip to Mr. Burt Shaw's ranch, near Lake Hemet. The experiences of this trip will be carried with each and every member in future years.

Following this trip, another group of students attended a fishing excursion with Mr. Orrin Walker at his secret spot near Malibu Canyon. Even though it was raining it didn't stop anyone from having a great time.

The fresh fallen snow at Big Bear was the next sight for the Sports and Ski Club. Everyone built a snowman in the image of the mystery man from Mammoth, and of course his companion, the snow dog. The weekend was filled with sledding, snow fights, and just trying to keep warm. With Ms. Joyce Ricci accompanying this group, which occured on Super Bowl weekend, it turned out to be a clash between Dallas and Pittsburg Fans.

MECHA

1.

2.

The purpose of Mecha is to gain recognition throughout the school and community. Mecha has its roots at Excelsior as well as at other high school campuses, in a desire to unite Chicanos (Mexican Americans) and to improve educational opportunities for the Chicano student. Although this was a small club, each member made every effort to keep Mecha alive. A few of their activities were the Christmas tree and canned food donations, the Cinco de Mayo Celebracion, fund raisers which were held throughout the year, and scholarships which were given at the end of the year. The advisor for the club was Mr. Richard Garcia.

3.

INTERACT

1.

2.

Excelsior's Interact Club is made up of students whose purpose is to promote service and involvement throughout the community and school. During the year Interact was involved in many worthwhile activities such as, hosting the 4th of July presentation at Cerritos College, hosting the annual Los Angeles Rams basketball game at Cerritos College, and delivering food baskets to needy families. Interact is sponsored by the Norwalk Rotary Club, a club made up of successful businessmen. Mr. Rod Rodriguez was the club advisor. At the end of the year Interact attended their annual conference held in Newport Beach.

CLUB LATINO

The purpose of Club Latino is to create positive attitudes toward the school and community activities with Excelsior High School.

Under the leadership of Mr. Jesus De La Torre, the advisor, the club was very active throughout the year. Selling candy, having a car wash, and going to the snow were some of the activities in which they were involved.

VARSITY CLUB

1.

2.

3.

4.

5.

The purpose for establishing the Varsity Club was to foster better athletics and promote school spirit. The club has been in effect for a very long time. This year their activities were few, but they managed to highlight the year with pledge weeks. Pledge week was a little different this year; because of the change in the constitution, hazing was deleted and pledges had to work to earn points to become club members. Membership is encouraged to all who letter in varsity sports.

FRENCH CLUB

1.

2.

"Bonjour mon amie" was a familar saying to this year's French Club. Under the direction of Mr. John Kostar, the coordinator of the French Club, the club under took several projects, one of which was writing to French students in France. During the year they had various activities such as selling candies, selling French pastries and holding numerous raffles. The French Club climaxed the year by attending "une restaurant etrange", a quaint restaurant.

PRINCIPAL'S MESSAGE:

It is the hope of the faculty and administration of Excelsior High School that you look on the past year as a good one.It certainly has been a unique one. Besides the addition of the 8th grade to our school, there has been a major change in the high school structure. We can be proud of the manner in which the class of 1983 has been assimilated into our student body. Although the adjustment for students, parents and teachers has not been easy, it has been a worthwhile, cooperative venture.

Each year in school is important to you. I trust you have not wasted the time, as it cannot be replaced. In the years to come, this book should assist you in reflecting on the many experiences of your high school days at Excelsior. I hope they have been both enjoyable and profitable.

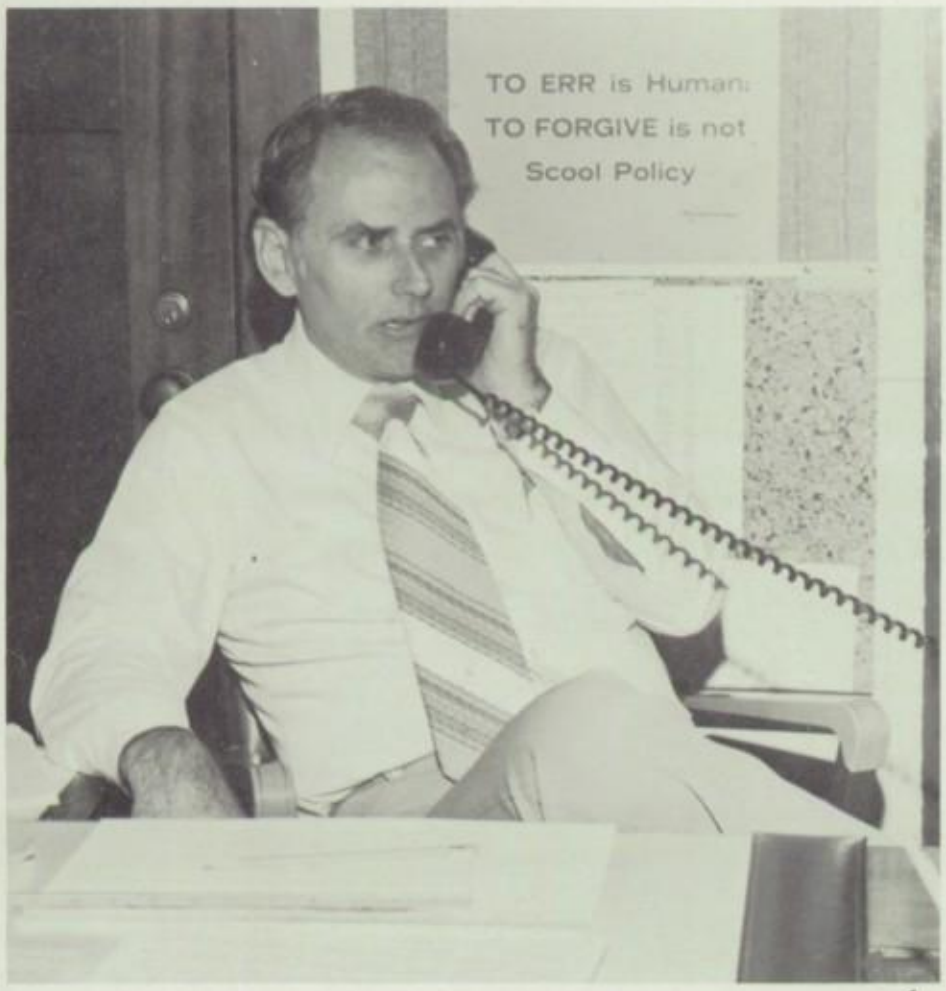
ASSISTANT PRINCIPALS



1.

Excelsior High School continues to set the example for a positive education of all youngsters enrolled for 1978-79 school year. It is with sincere optimism that our counseling staff and I observe academic growth of our students so that in future years opportunities available to them in their young adult lives will reflect the positive educational experiences they had in high school.

In order to insure this happening, our counseling staff is dedicated to the development of all areas of their respective grade level counselees. I firmly believe that the 1978-79 school year will be productive and create a lasting impression on our students.

Stan Thomas

It's been a pleasure working with an outstanding staff and the best group of students I have encountered. Excelsior has a lot of pride and tradition and I look forward to working closely together with all of you to build the best possible program next year.

Francisco Garcia

As we look back on this year, let us remember it as a success. We became better people because of our association with our teachers and students. We learned how to live life a little more fully. A smile became the key to friendship. We learned to listen, to say please and thank you. We learned that any person whose viewpoint we understood was a potential friend. Above all, we learned that "love of mankind" is an empty phrase unless we can first learn to love our neighbor. We at Excelsior High School are on the road to understanding human nature.

WE'LL MISS YOU

Mr. Marion Frederick Willie — "Buzz" was born in Kansas City, Missouri. He received his B.A. degree from the University of Missouri. He then received his master's degree from Greely, Colorado. He attended U.C.L.A., University of Michigan, Moralia, University of Missouri, Columbia. During his career he served as superintendent of schools. At one time or another in his career he has taught wood and metal shop, crafts, welding, health, math, and coached softball. In WWII, he was in the Air Force and served for 4 ½ years in the Flying Tigers, in the China Burma India area. He also taught airplane mechanics for 3 years in Texas.

He is interested in archeological research in Central America. Other hobbies which interest him are counseling people, golfing, and swimming. He also holds the priesthood in his church. His favorite dessert is cherry pie and chocolate sundaes. His wife Mary is a counselor at Lakewood High School in Lakewood. They have one child, Mark, a recent graduate of U.S.C. and is now an accountant for Arthur Anderson and Co. in Los Angeles.

We did this final tribute to his last year of teaching at EXCELSIOR to everyone's friend.

Excelsior Booster Club

The Excelsior High School Booster Club was involved with all the sports this year. Their main purpose was raising money which provided for dinners to the varsity football and basketball players. The Booster Club took two trips to Las Vegas, which served as entertainment for the club plus provided incoming money for the Club funds.

Friends, we will remember you, think of you, pray for you, and when another day is thru, we'll still be friends with you. Ana Bautista — Ana Cortez, (Bill Danotx)

Thank you "Mortie", Bob Lougee, Dennis Proud, Mike Baray, Keith Cooke, Yolanda Gandara and especially the best staff an advisor could be blessed with for all your assistance in making this yearbook a worthwhile experience. Robert, I'll miss you. You're a super person. Ms. Joyce Ricci

Deadlines seemed to be the story every year with our yearbook. This year seemed to be our best book ever. I hope everyone is pleased; we tried our best. Even with all the late night or after school work it seemed we always made the deadlines. I hope the best for the class of "79". It's finally here; we're out in the big world! All the good times at this school will be with me forever. Thank you, Ms. Ricci, Mr. Shaw and Coach Brinkley for getting me ready.
Thank you. Your 79 El-Aviador Editor.

My senior year as ASB President has been an honor. I have really injoyed working with Senate and working with the students. It makes me feel that I have accomplished something. I had my ups and downs but when the work was completed it made my pride even stronger. I feel our school spirit, involvement and pride has made us what we are — the "best". I say this to my fellow students: treasure the memories of Excelsior High School and bring your pride for it to its highests peak.

Thank you for choosing me ASB President.
